

🤝 Hi, I'm Charan Kosana

📁 About Me

Hello! I'm a **Civil Engineer & AutoCAD Designer** with expertise in **2D & 3D modeling, structural planning, and project execution**. Passionate about infrastructure development, precision design, and leveraging technology for innovative construction solutions.

- ◆ **Location:** Guntur, Andhra Pradesh, India
- ◆ **Degree:** B.Tech in Civil Engineering
- ◆ **Languages:** Telugu (Native), English (Advanced - C1)

🚀 Skills & Expertise

- **AutoCAD (2D & 3D)** - Technical drawings & modeling
- **Structural Analysis** - Blueprint interpretation, site planning
- **Project Management** - Scheduling, team collaboration
- **Surveying & Land Planning** - Data analysis & feasibility studies
- **Software:** AutoCAD, MS Office Suite

🏠 Projects & Experience

AutoCAD Designer *(Oct 2023 – Present)*

📍 Guntur, Andhra Pradesh

- Created **detailed technical drawings & 3D models** for civil engineering projects.
- Collaborated with engineers to ensure **precise designs** and feasibility.
- Conducted **site visits & assessments** to align plans with real-world constraints.

Indian Railways Project

- Designed **land plan layouts** for railway infrastructure.
- Conducted **surveys & analyzed data** for optimal construction feasibility.
- Ensured **documentation compliance** with engineering standards.

Fencing Projects

- Developed **general arrangement drawings** for fencing structures.
- Ensured **adherence to industry safety regulations**.
- Assisted in **surveying & site planning** for efficient fencing placement.

🎓 Education

- **B.Tech in Civil Engineering** – Malineni Perumallu Educational Society's Group of Institutions, JNTUK *(2022)*
- **Intermediate (MPC)** – Narayana Junior College, Guntur *(2017)*
- **SSC** – Gayathri Model School, Anakapalli *(2015)*

📄 Certifications

- **AutoCAD Certification** – Advanced 2D & 3D Design
- **Structural Analysis & Design** – Professional Training
- **Project Management Fundamentals**
